SIMPLIFYING RETAIL

About Us

Proxima360 is the retail division of Dotcom Team LLC providing consulting to world class retailers on high impact solutions that have proven to support their needs for years to come. Our expertise is in integrating and optimizing complex data and systems across retail functions.

Why Choose Us

✓ **Collaborative Team Culture**
Our objective is to make each engagement successful by collaborating with our clients as an extension of their team and by leveraging skills on both sides.

✓ **Domain Experts**
Our team is comprised of retail experts with technology consulting experience who have a common purpose of providing best in class service to our clients. Our leadership members have a minimum of 18 years' experience.

✓ **Modernization of Retail Technology Landscape**
We develop and implement system transformations, upgrades and replacements based on the client's roadmap. Each of our engagements have a 100% success rate.

✓ **Best in Class Products**
Our products in Allocation and Finance domain contain many unique features absent in our competitor's offerings.

IDEATE ● ILLUMINATE ● IMPLEMENT
